SUMMARY

Junior Full-Stack Developer | 1 year practical experience | TypeScript, JavaScript, Node.js | Willing to learn Python, PHP, Shopify development

Motivated junior developer with experience in **full-stack web projects**, including front-end (React, HTML, CSS, Sass) and back-end (Node.js, Express) development. Experienced in **Git, GitHub, Docker**, with several independent projects on GitHub. Developed full-stack web applications, implemented **REST APIs**, integrated external services, and built **responsive front-end interfaces**. Multiple GitHub projects showcase both front-end and back-end skills. **Eager to gain practical experience in e-commerce development** and contribute to a professional team.
